

Annual CCR Fugitive Dust Control Report

A.B. Brown Generating Station

December 9, 2021

40 CFR §257.80(c) Annual Fugitive Dust Control Report

The owner or operator of a CCR unit must prepare an annual CCR fugitive dust control report that includes a description of the actions taken by the owner or operator to control CCR fugitive dust, a record of all citizen complaints, and a summary of any corrective measures taken.

The A. B. Brown Generating Station has not received any citizen complaints regarding CCR fugitive dust since the prior Annual CCR Fugitive Dust Control Report was prepared on December 10, 2020.

Water trucks are being utilized to control dust. Soil Sement, a polymer emulsion product used to seal the ash pond has been ordered and will be applied upon delivery.
